Hi there- We are the MacMillan family. Just wanted to tell you how much we are enjoying your new CD.

I heard a song by you and your wife on a local radio station and looked you up.

What a blessing.

Last year, we adopted 6 children from Liberia, W. Africa. The kids are all war orphans. So now we have 9 kids with one girl still on the way from Africa. They range in age from 8- 18.

I don't prefer a lot of the contemporary Christian music that's available, so hearing your melodies is really refreshing. I have three older African boys aged 16 and they needed to hear a strong male voice singing beautiful music.

One of my sons, Will, has taken a special liking to your song, "No One Ever Cared for Me Like Jesus." During the war this boy's life was threatened by soldiers. He tells me of the day after he was spared, " The next day when others could not eat, I could because I knew that God had spared my life. I was free." My son Theo can play most anything he hears on the piano, so they sit and make music together. Hearing Will's reedy bass singing out 'No one ever cared for me like Jesus' is a joy you cannot imagine.

Thank you so much. I'm sure that we will be purchasing more of your music in the future!
